Bill Flanagan is Executive Vice President-Corporate Relations for the Allegheny Conference on Community Development and its affiliated regional development organizations: The Pennsylvania Economy League of Southwestern Pennsylvania LLC, the Pittsburgh Regional Alliance and the Greater Pittsburgh Chamber of Commerce. In this role, he also hosts "Our Region's Business" on WPXI-TV, WJAC-TV, WTOV-TV and the Pittsburgh Cable News Channel (PCNC), a program the Conference produces in partnership with the Cox Television.

Bill supervises Investor Relations activities for the Conference and Affiliates, including fundraising, membership services and educational programming. He oversees organizational communications and serves as Executive Director of Pittsburgh 250, the commemoration of the 250th anniversary of the Pittsburgh region in 2008.

Prior to joining the team of organizations in September 2001, Bill had covered the economy of southwestern Pennsylvania for more than 13 years as Money Editor of KDKA-TV, where he was Pittsburgh's only broadcast reporter devoted exclusively to business and personal finance, and where he hosted "The Sunday Business Page." Bill came to the region in 1982 as a general assignment reporter for the television station. He also has written about personal finance for The Pittsburgh Post-Gazette and KDKA-AM.

A graduate of Northwestern University (B.S. Speech), Bill has a Master's Degree in Journalism from the University of Missouri-Columbia. He is a native of Dover, Delaware.

Bill and his wife, Ann Devlin, host of "Night Talk" on PCNC, have two children, Mara and Will.

Christopher Bauer is a licensed psychologist with over twenty-five years of experience as a trainer, speaker, and consultant. Between coaching, speaking and consulting, he has worked with front-line workers to senior executives and everyone in-between. Clients of Dr. Bauer have run the gamut from small and medium sized businesses and organizations to every level of staff and management at Fortune 500 corporations.

Although ethics and fun are not words typically found in the same sentence, Dr. Bauer's programs have long been helping international audiences build and maintain great ethics while having a terrific time. His keynotes and seminars are frequently billed as "Serious Ethics Programs That'll Make You Laugh!"

Dr Bauer's articles on improving business ethics through improved self-monitoring skills have appeared in such journals as Tax Pro, Internal Auditor, CEO Refresher, CFO Magazine, and many others. His latest book is titled "Better Ethics NOW: How To Avoid The Ethics Disaster You Never Saw Coming". He also publishes a free "Weekly Ethics Thought" read by thousands of subscribers worldwide.

Because of his unique contribution to the prevention of ethics problems, Dr. Bauer has been recognized with the prestigious Certified Fraud Specialist designation by the Association of Certified Fraud Specialists.

Additional information on Dr. Bauer's programs as well as free subscriptions to his "Weekly Ethics Thought" are available at his website (www.bauerethicsseminars.com).

The Pittsburgh Association for Financial Professionals (PAFP) was formed in 1981 by a small group of local treasury managers who began to meet regularly to share ideas and information in the treasury management profession. Now in its twenty sixth year, the PAFP has grown to over 120 members representing small, medium and large corporations from the Western Pennsylvania area, including many Fortune 500 corporations. In addition, membership includes financial institutions and service providers across the country. The PAFP is a regional affiliate of the Association for Financial Professionals. Regular PAFP activities include bi-monthly luncheon meetings featuring a speaker from the treasury management field, as well as the opportunity to network with other treasury management professionals at special events such as seminars and social outings.
